

## Educational Outreach Presentations

Because it's not always possible for school groups to visit Butterfly Wonderland for a field trip, we're happy to come to you. Are you a Resort/Hotel that would like to have us in your lobby to greet guests? Butterfly Wonderland brings the fun and excitement of learning to you!

### Topics:

**Awesome Butterflies & Moths** - Learn about the lifecycle of butterflies and moths, their differences and similarities, how unique some butterfly species are, and how they use special adaptations to survive.

**Desert Arthropods** – Discover the adaptations that allow some arthropods to live in the harsh environments in our areas. Special guests may include scorpions, tarantulas and other spiders, millipedes, beetles, grasshoppers, and vinegaroons.

**Rainforest Arthropods** - See awesome arthropods from rainforests around the world and learn what makes this group different from other animals. Special guests may include: hissing cockroaches, giant katydids, walking sticks, beetles, tarantulas, and millipedes.

**Outreach Visit: \$300** Maximum of 3 hours, 1 table with Desert & Tropical Arthropods  
**Half Day: \$450** Maximum 3 hours, including up to 6 presentations  
**Full Day: \$550** Maximum 5 hours, including up to 8 presentations

**Resorts/Hotel: Table needed in lobby near Check in Desk.**

**Science Fair or Carnival: Just need booth space of 6 or 8-foot table.**

### **School Program Requirements:**

- One table, 6-foot or 8-foot.
- A single space large enough to seat up to 30 students on the floor in rows.
- Please make sure there are no testing, special events or fire drills that would impair or interrupt presentation on date chosen for outreach visit.

### **School Program Schedule:**

- Start time at or after 9 am.
- Each presentation may be scheduled to last about 20-25 minutes.
- When booking a Full Day presentation, please allow a 30-minute break mid-day for the animals/presenter.

**To book your Outreach Presentation, please submit Outreach/Event Request Form.**
