

Become a Volunteer at Butterfly Wonderland!

Come share your passion about the natural world with others! Do you enjoy butterflies and are fascinated with how bees buzz, how frogs, amphibians and desert critters survive their environment or how string rays swim so effortlessly?

Are you outgoing and ready to have fun? We need you! We are seeking volunteers to support Butterfly Wonderland as you educate our guests, school groups and adult tours. Be interactive and hands-on in sharing information with our guests about insects, life cycles, and science.

Training for the volunteer positions is provided. Volunteers will come away with an understanding and appreciation of what lives in a tropical rainforest setting and be able to share that information with others.

What is expected of a Butterfly Wonderland Volunteer?

Volunteers can greet our guests, share information as guests visit our Butterfly Emergence Gallery and Butterfly Conservatory, assist in gift shop, provide brief information when people visit the various displays and help ensure that the guest experience is positive and informative. Volunteers are also needed to monitor and ensure safety of butterflies and visitors.

Volunteers are needed for a 4-hour shift, either mornings or afternoons and are required to sign up for 2 days per month in order to be considered an Active Volunteer and receive Volunteer Benefits (Complimentary Annual Pass with 6 guest tickets, volunteer mug, apron, lanyard, discounts in gift shop and café and free admission to workshops.) Approved volunteers must pay \$15 for their volunteer t-shirt. Butterfly Wonderland will pay the remaining cost on the shirt and cost of background check.

Volunteers are an active and vital part of our educational programs. After completing training, they will act as interpreters by providing information to visitors and helping them make lasting memories as they leave Butterfly Wonderland. Additional training classes will be offered periodically. Volunteers are vital in sharing the mission statement of: "Create an appreciation of nature through conservation and education of the butterflies and our rainforest". Volunteers also are expected to help share the message of our Butterfly Wonderland Foundation which supports

Title One low-income students, supports community charities and conservation efforts for the butterfly farmers and butterflies.
