	BW School - Chaperones (No charge 1:5 ratio)	\$ 0.00	
		SUB-TOTAL	
		TAX (8.05%)	
		GRAND TOTAL	

## FAQ

**How is payment handled?** Balance is paid before entry at the admissions window. Accepted forms of payment include: cash, credit/debit (Discover, Mastercard, Visa), company check (made out to Butterfly Wonderland), or Purchase Order (net 30).

**When do I give you my final numbers or what do I do if my numbers change?** It is not necessary to notify us of attendance changes before your visit. The final count (students and adults) is given at the check-in window the day of your visit. Any changes can be made at that time.

**Can we use memberships?** Butterfly Wonderland Passholders can use their membership for admission. Be sure not to count them in your final numbers and have them scan their card on entry. They will not be given a wristband.

**Will my chaperones/parents receive the school rate if they pay individually when we arrive?** No, they will be charged full-price admission at the window. The discounted \$15 rate above is only available if they are included in the school's payment. If your school cannot account for any additional adults in your payment, you will be allowed two payments (one for students, one for adults) and they will need to have collected their funds in advance. **NO MORE THAN TWO PAYMENTS WILL BE ACCEPTED.** Otherwise, tickets will need to be purchased and scanned (no wristbands). Adults are encouraged to pre-purchase general admission tickets online well before your trip as long lines could delay your trip considerably.

**Where can we store/eat lunch?** Outside food is not permitted on the premises. Please note that use of the in-house café is reserved for guests purchasing food at the café. Due its small size and capacity, we ask that school groups do not use the area for resting or regrouping. Keep lunches stored on buses, outdoor seating is available on a first-come, first-serve basis. See [azboardwalk.com](http://azboardwalk.com) for restaurant details or visit any of the near-by parks (McCormick-Stillman Ranch Park, Scottsdale Rotary Park, etc.) for even more fun.

**Why do I have two time slots?** Groups larger than 60 may be split into multiple tour times. Please plan for the gap with lunches, staggered arrival, etc. as the second group will spend ~30 min. outdoors before entry. Butterfly Wonderland is not responsible to provide activities for your group during this time.
